

## HOME ACCESS GRANTS

The Government have just launched a Home Access programme which enables low income families to access technology at home to support learning.

If you answer 'yes' to any of the following questions then you are likely to be eligible for the grant, so please ring the number below as soon as possible and apply now!

1. Is your son/daughter registered for Free School Meals?
2. Do you currently get income-based Jobseeker's Allowance?
3. Do you currently get Income Support?
4. Do you currently get Child Tax Credit but not Working Tax Credit?
5. Do you currently get income-based Employment Support Allowance?
6. Do you currently get Pension Credit
7. Do you currently receive support under Part VI of the Immigration and Asylum Act 1999?

**NEXT GENERATION LEARNING**

Get on in  
school  
Get online  
at home

Home Access is a government drive to help ensure more children in low income families have access to a computer and the internet at home to support their learning.

If you're a low income family you could get a grant for:

- a computer
- one year's internet access
- service, safety features and support.

There are no hidden catches and no financial tie-ins.
